

TRAINING CALENDAR 2026-27

Sl. No.	Title of the Training	Category	Venue	Duration	Month	Name of Scientist & Discipline
1	Different technologies of seed treatment in crops	F/FW	Off-campus	1 day	2 nd Week May 2026	P. K. Nanda, Plant Protection
2	Integrated disease management in Turmeric	F/FW	Off-campus	1 day	3 rd Week May 2026	P. K. Nanda, Plant Protection
3	Cultivation practices of paddy straw mushroom	F/FW	On-campus	1 day	4 th Week May 2026	S. Hembram, PA (Home Science)
4	Balanced Fertilizer Management for Millets under Rainfed Conditions	F/FW	Off-campus	1 day	1 st Week June 2026	Dr. S. K. Mukhi, Soil Science
5	Organic Nutrient Management Practices for Sustainable Chilli Cultivation	F/FW	Off-campus	1 day	4 th Week June 2026	Dr. S. K. Mukhi, Soil Science
6	Integrated management of FAW in Maize	F/FW	Off-campus	1 day	1 st Week June 2026	P. K. Nanda, Plant Protection
7	Integrated management of stem borer in Rice	F/FW	Off-campus	1 day	3 rd Week June 2026	P. K. Nanda, Plant Protection
8	Package of practices for finger millet cultivation	F/FW	Off-campus	1 day	3 rd Week June 2026	S. Pradhan, SMS (Agronomy)
9	Package of practices for little millet cultivation	F/FW	Off-campus	1 day	4 th Week June 2026	S. Pradhan, SMS (Agronomy)
10	Nursery management for Vegetables	F/FW	Off-campus	1 day	1 st Week June 2026	S.K. Meher, Horticulture
11	Cultivation practices of paddy straw mushroom	F/FW	Off-campus	1 day	1 st Week June 2026	S. Hembram, PA (Home Science)
12	Value addition from ripped mango	F/FW	On-campus	1 day	3 rd Week June 2026	S. Hembram, PA (Home Science)
13	Integrated Nutrient Management (INM) in Major Fruit Crops of Kandhamal District	F/FW	Off-campus	1 day	1 st Week July 2026	Dr. S. K. Mukhi, Soil Science
14	Integrated management of shoot and fruit borer in Brinjal	F/FW	Off-campus	1 day	2 nd Week July 2026	P. K. Nanda, Plant Protection
15	Production technique for scented rice cultivation	F/FW	Off-campus	1 day	3 rd Week July 2026	S. Pradhan, SMS (Agronomy)
16	Scientific cultivation of SRI method of rice farming	F/FW	Off-campus	1 day	4 th Week July 2026	S. Pradhan, SMS (Agronomy)
17	Food safety and Horticultural crops	F/FW	Off-campus	1 day	2 nd Week July 2026	S.K. Meher, Horticulture
18	Kharif Onion Cultivation	F/FW	Off-campus	1 day	4 th Week July 2026	S.K. Meher, Horticulture
19	Planning and layout of nutritional garden	F/FW	On-campus	1 day	3 rd Week July 2026	S. Hembram, PA (Home Science)
20	Improved backyard poultry rearing	F/FW	Off-campus	1 day	4 th Week July 2026	S. Hembram, PA (Home Science)
21	Cultivation practices of paddy straw mushroom and its marketing strategies	RY	On-campus	2 days	4 th Week July 2026	S. Hembram, PA (Home Science)
22	Gender sensitisation in agriculture	RY	On-campus	2 days	1 st Week July 2026	Dr. N. Bar, SSH Agril. Extension
23	Public and private partnership in agriculture	RY	On-campus	2 days	1 st Week July 2026	Dr. N. Bar, SSH Agril. Extension
24	Formation and management of SHG	F/FW	Off-campus	1 day	2 nd Week July 2026	Dr. N. Bar, SSH Agril. Extension
25	Grading and sorting of vegetables and farm level to get more market price	F/FW	Off-campus	1 day	3 rd Week July 2026	Dr. N. Bar, SSH Agril. Extension
26	Grading and sorting of vegetables and farm level to get more market price	F/FW	Off-campus	1 day	4 th Week July 2026	Dr. N. Bar, SSH Agril. Extension

27	Scientific Management of Acid Soils for Sustainable Crop Productivity	F/FW	Off-campus	1 day	1 st Week August 2026	Dr. S. K. Mukhi, Soil Science
28	NADEP Composting Technology for Soil Organic Matter Enrichment and Soil Health Improvement	F/FW	Off-campus	1 day	3 rd Week August 2026	Dr. S. K. Mukhi, Soil Science
29	Preparation of spray solution, spraying methods and judicious use of pesticides	F/FW	Off-campus	1 day	3 rd Week August 2026	P. K. Nanda, Plant Protection
30	Production technique for sweet corn cultivation	F/FW	Off-campus	1 day	2 nd Week August 2026	S. Pradhan, SMS (Agronomy)
31	Cultivation of various crops in inter cropping system	F/FW	Off-campus	1 day	4 th Week August 2026	S. Pradhan, SMS (Agronomy)
32	Organic vegetable cultivation	F/FW	Off-campus	1 day	2 nd Week August 2026	S.K. Meher, Horticulture
33	Use of small implements for drudgery reduction of farm woman	F/FW	Off-campus	1 day	2 nd Week August 2026	S. Hembram, PA (Home Science)
34	Formation and management of SHG	F/FW	Off-campus	1 day	1 st Week August 2026	Dr. N. Bar, SSH Agril. Extension
35	Use of mass media and social media for technology support	F/FW	Off-campus	1 day	2 nd Week august 2026	Dr. N. Bar, SSH Agril. Extension
36	Soil Health Card Interpretation and Site-Specific Nutrient Management Practices	F/FW	Off-campus	1 day	1 st Week September 2026	Dr. S. K. Mukhi, Soil Science
37	Integrated Nutrient Management for Major Vegetable Crops of Kandhamal District	F/FW	Off-campus	1 day	2 nd Week September 2026	Dr. S. K. Mukhi, Soil Science
38	Organic nutrient management practices for garden pea cultivation	F/FW	Off-campus	1 day	3 rd Week September 2026	Dr. S. K. Mukhi, Soil Science
39	Integrated pest management in Raikia bean	F/FW	Off-campus	1 day	4 th Week September 2026	P. K. Nanda, Plant Protection
40	Importance of crop diversification in agriculture	F/FW	Off-campus	1 day	3 rd Week September 2026	S. Pradhan, SMS (Agronomy)
41	Package of practices for groundnut cultivation	F/FW	Off-campus	1 day	4 th Week September 2026	S. Pradhan, SMS (Agronomy)
42	Improved Vegetable cultivation in Natural Farming	F/FW	Off-campus	1 day	1 st Week September 2026	S.K. Meher, Horticulture
43	Entrepreneurship development through horticulture	RY	On campus	2 days	3 rd Week September 2026	S.K. Meher, Horticulture
44	Inclusion of high fiber millet in regular food of children and woman	F/FW	Off-campus	1 day	2 nd Week September 2026	S. Hembram, PA (Home Science)
45	Preparation of murukku from finger millet	RY	On-campus	2 days	2 nd Week September 2026	S. Hembram, PA (Home Science)
46	Behavioural skills and motivational techniques	RY	On-campus	2 days	4 th Week September 2026	Dr. N. Bar, SSH Agril. Extension
47	Use of mass media and social media for technology support	F/FW	Off-campus	1 day	1 st Week September 2026	Dr. N. Bar, SSH Agril. Extension
48	Improved Raikia Bean Production through Trellis (Nylon Net) Technology and Integrated Nutrient Management	F/FW	Off-campus	1 day	1 st Week October 2026	Dr. S. K. Mukhi, Soil Science
49	Vermicomposting Technology for Soil Health Improvement and Rural Entrepreneurship Development	RY	On-campus	2 days	4 th Week October 2026	Dr. S. K. Mukhi, Soil Science
50	Integrated management of sucking pests in chill	F/FW	Off-campus	1 day	2 nd Week October 2026	P. K. Nanda, Plant Protection
51	Pest management under Natural Farming	IS	On-campus	1 day	4 th Week October 2026	P. K. Nanda, Plant Protection
52	Preparation of bio-concentrates for agriculture use	RY	On-campus	2 days	3 rd Week October 2026	S. Pradhan, SMS (Agronomy)
53	Crop rotation and diversification for soil health improvement	F/FW	Off-campus	1 day	4 th Week October 2026	S. Pradhan, SMS (Agronomy)

54	Cultivation of Low volume and high value crop	F/FW	Off-campus	1 day	2 nd Week October 2026	S.K. Meher, Horticulture
55	Value addition of tomato by preparing tomato powder	F/FW	Off-campus	1 day	3 rd Week October 2026	S. Hembram, PA (Home Science)
56	Farmers led and market led extension strategies	RY	On-campus	2 days	4 th Week October 2026	Dr. N. Bar, SSH Agril. Extension
57	Record keeping of SHG	F/FW	Off-campus	1 day	3 rd Week October 2026	Dr. N. Bar, SSH Agril. Extension
58	Diagnosis and Correction of Secondary & Micronutrient Deficiencies for Soil Health and Crop Productivity	F/FW	Off-campus	1 day	1 st Week November 2026	Dr. S. K. Mukhi, Soil Science
59	Integrated disease management in Cabbage	F/FW	Off-campus	1 day	1 st Week November 2026	P. K. Nanda, Plant Protection
60	Integrated disease management in Mustard	F/FW	Off-campus	1 day	2 nd Week November 2026	P. K. Nanda, Plant Protection
61	Integrated weed management in garden pea cultivation	F/FW	Off-campus	1 day	1 st Week November 2026	S. Pradhan, SMS (Agronomy)
62	Management of stored grain pests	RY	On-campus	2 days	2 nd Week November 2026	S. Pradhan, SMS (Agronomy)
63	Improved Potato cultivation	F/FW	Off-campus	1 day	1 st Week November 2026	S.K. Meher, Horticulture
64	Improved cultivation of cole crop	F/FW	Off-campus	1 day	2 nd Week November 2026	S.K. Meher, Horticulture
65	Planting materials production	RY	On-campus	2 days	4 th Week November 2026	S.K. Meher, Horticulture
66	Use of indigenous techniques for storing grains	F/FW	Off-campus	1 day	1 st Week November 2026	S. Hembram, PA (Home Science)
67	Cultivation practices of Oyster mushroom and its marketing strategies	IS	On-campus	1 day	3 rd Week November 2026	S. Hembram, PA (Home Science)
68	Record keeping of SHG	F/FW	Off-campus	1 day	2 nd Week November 2026	Dr. N. Bar, SSH Agril. Extension
69	Formation and management of FPOs	F/FW	Off-campus	1 day	4 th Week November 2026	Dr. N. Bar, SSH Agril. Extension
70	Crop Residue Recycling for Soil Fertility Enhancement, Carbon Sequestration and Moisture Conservation	F/FW	Off-campus	1 day	2 nd Week December 2026	Dr. S. K. Mukhi, Soil Science
71	Integrated pest management in Pea	F/FW	Off-campus	1 day	1 st Week December 2026	P. K. Nanda, Plant Protection
72	Comb H1 day production technology	IS	On-campus	1 day	3 rd Week December 2026	P. K. Nanda, Plant Protection
73	Yield maximization strategies for irrigated crops	IS	On-campus	1 day	1 st Week December 2026	S. Pradhan, SMS (Agronomy)
74	Production techniques for sunflower cultivation	F/FW	Off-campus	1 day	2 nd Week December 2026	S. Pradhan, SMS (Agronomy)
75	Improved floriculture for better return	F/FW	Off-campus	1 day	1 st Week December 2026	S.K. Meher, Horticulture
76	Care of Mango and Litchi orchard	F/FW	Off-campus	1 day	3 rd Week December 2026	S.K. Meher, Horticulture
77	Cultivation practices of Oyster mushroom	F/FW	Off-campus	1 day	1 st Week December 2026	S. Hembram, PA (Home Science)
78	Value addition of Oyster mushroom by preparing soup mix	F/FW	On-campus	1 day	2 nd Week December 2026	S. Hembram, PA (Home Science)
79	Formation and management of FPOs	F/FW	Off-campus	1 day	2 nd Week December 2026	Dr. N. Bar, SSH Agril. Extension
80	Formation and management of farmers club	F/FW	Off-campus	1 day	4 th Week December 2026	Dr. N. Bar, SSH Agril. Extension
81	Organic and Natural Farming Approaches for Soil Fertility Restoration and Sustainable Agriculture	F/FW	Off-campus	1 day	1 st Week January 2027	Dr. S. K. Mukhi, Soil Science

82	Advanced Soil Fertility and Climate-Resilient Nutrient Management Strategies for Sustainable Agriculture	IS	On-campus	1 day	3 rd Week January 2027	Dr. S. K. Mukhi, Soil Science
83	Scientific Bee keeping	RY	On-campus	2 days	1 st Week January 2027	P. K. Nanda, Plant Protection
84	Scientific Bee keeping	RY	On-campus	2 days	3 rd Week January 2027	P. K. Nanda, Plant Protection
85	Natural farming practices in various crops	RY	On-campus	2 days	2 nd Week January 2026	S. Pradhan, SMS (Agronomy)
86	Importance of green manuring for soil health improvement	F/FW	Off-campus	1 day	4 th Week January 2026	S. Pradhan, SMS (Agronomy)
87	Scientific Jack fruit cultivation	F/FW	Off-campus	1 day	2 nd Week January 2027	S.K. Meher, Horticulture
88	Improved vegetable cultivation for summer Season	F/FW	Off-campus	1 day	2 nd Week February 2026	S.K. Meher, Horticulture
89	Hi-tech Horticulture	IS	On campus	1 day	4 th Week January 2027	S.K. Meher, Horticulture
90	Value addition of tomato by preparing tomato powder	IS	On-campus	1 day	1 st Week January 2027	S. Hembram, PA (Home Science)
91	Cultivation practices of Oyster mushroom	F/FW	On-campus	1 day	3 rd Week January 2027	S. Hembram, PA (Home Science)
92	Cultivation practices of Oyster mushroom and value addition of Oyster mushroom	VOC	On-campus	5 days	4 th Week January 2027	S. Hembram, PA (Home Science)
93	Formation and management of farmers club	F/FW	Off-campus	1 day	2 nd Week January 2027	Dr. N. Bar, SSH Agril. Extension
94	Application of information and communication technology in agriculture	IS	On-campus	1 day	3 rd Week January 2027	Dr. N. Bar, SSH Agril. Extension
95	Entrepreneurship Development in Organic Input Production and Soil Health Service Enterprises	RY	On-campus	2 days	1 st Week February 2027	Dr. S. K. Mukhi, Soil Science
96	Diagnosis and Management of Problem Soils (Acidic & Degraded Soils)	IS	On-campus	1 day	4 th Week February 2027	Dr. S. K. Mukhi, Soil Science
97	Integrated pest management in Okra	F/FW	Off-campus	1 day	3 rd Week February 2027	P. K. Nanda, Plant Protection
98	Scientific Bee keeping	VOC	On-campus	5 days	1 st Week February 2027	P. K. Nanda, Plant Protection
99	Smart irrigation techniques in agriculture	RY	On-campus	2 days	1 st Week February 2026	S. Pradhan, SMS (Agronomy)
100	Bio stimulates in agriculture	IS	On-campus	1 day	3 rd Week February 2026	S. Pradhan, SMS (Agronomy)
101	Recent Development in Horticulture	IS	On campus	1 day	1 st Week February 2027	S.K. Meher, Horticulture
102	Value addition from tender jackfruit	VOC	On-campus	5 days	4 th Week February 2027	S. Hembram, PA (Home Science)
103	Use of participatory techniques (PRA, RRA, PLA etc.,)	IS	On-campus	1 day	1 st Week February 2027	Dr. N. Bar, SSH Agril. Extension
104	Hands-on Vocational Training on Vermicompost Production and Quality Management	RY	On-campus	1 day	1 st Week March 2027	Dr. S. K. Mukhi, Soil Science
105	Planting materials production	VOC	On campus	5 days	1 st Week March 2027	S.K. Meher, Horticulture
